BRACKET PRO SERIE® 61 - FL

MOUNTING SYSTEM FOR AIR TRANSPORT OF THE
HAMILTON-H900 HUMIDIFIER

SAFETY AND FLEXIBILITY
WHERE IT MATTERS MOST

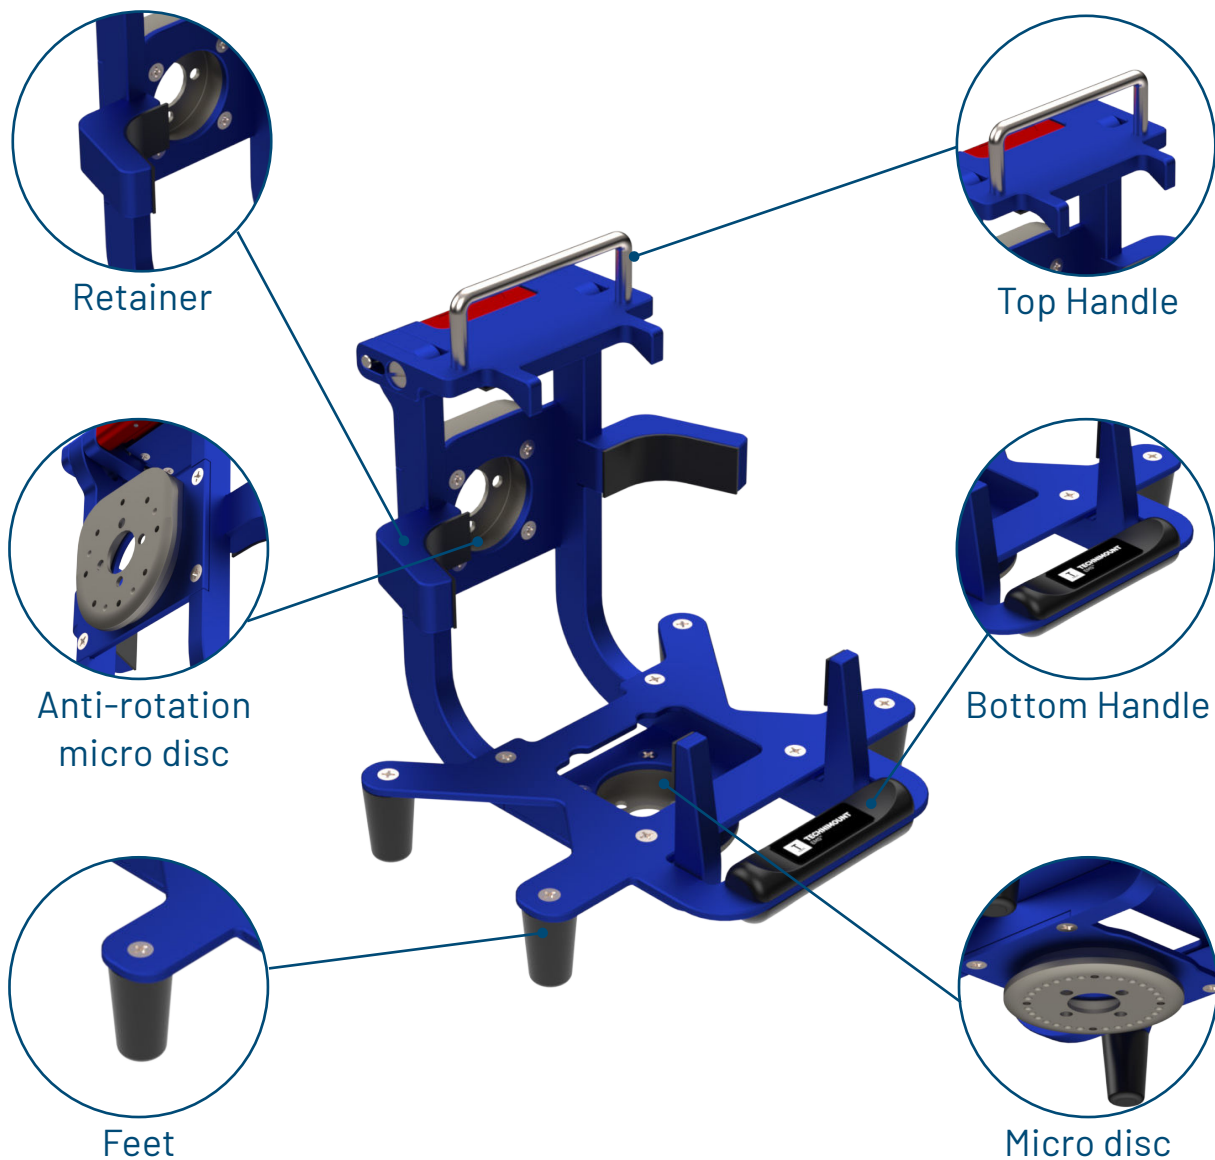

BRACKET PRO SERIE® 61 - FL

Product Components

The Bracket Pro Serie 61-FL is a mounting solution designed for the Hamilton-H900 humidifier during EMS and critical care air transport.

Equipped with a bottom and back micro disc, this bracket offers quick and easy installation in various mounting configurations, facilitating a seamless continuum of care.

Tested in compliance with the highest industry safety standards, this solution stands as a beacon of reliability and convenience to EMS professionals.

BRACKET PRO SERIE® 61 - FL

Highlights

FEATURES & BENEFITS

- Allows full access to the ventilator's connectors and tubings at all times, helping maintain crucial patient connections.
- Bracket retains and protects the Hamilton-H900 reservoir during transport.
- Equipped with a Micro Base for various mounting configurations on surfaces, stretchers, and wall mounts, accommodating different patient needs during transport.
- Durable feet to stabilize the bracket on any flat surface.
- Top and bottom handles allowing efficient installation and removal of the bracket from the base for quick deployment in emergencies.
- Tested in compliance with the highest industry safety standards for air transport of medical devices.

POSSIBLE CONFIGURATIONS

Micro Base

Safety MD-Transporter

BRACKET PRO SERIE® 61 - FL

Technical Specifications

Product Name	Bracket Pro Serie® 61 - FL
Description	Mounting system designed to aid trained EMS and clinical personnel move the HAMILTON-H900 humidifier during EMS and critical care transport
Product Code	- 710-22-HMH9-2D-FL (bottom and back discs) - 710-21-HMH9-BD-FL (back disc)
Operating Environment	EMS/CCT (air and ground)
Compliance	- Tested in compliance with 14 CFR 23.561 & 25.561 & 27.561 & 29.561 (for further details, contact the Regulatory Affairs at customerservice@technimount.com) - Tested in compliance with SAE J3043 and AMD-028
Compatible Stretcher	N/A
Compatible Mounting System	- Micro Base (horizontal) - Micro Base (vertical)
Compatible Medical Devices/ Accessories	HAMILTON-H900 humidifier
Dimensions (W X D X H)	9.8 in. X 9.6 in. X 11.1 in. (25 cm X 24.4 cm X 28.2 cm), w/o medical device
Weight	4.5 lb (2 kg), w/o medical device
Composition	- Bracket Pro Serie® 61 - FL: aluminum, stainless steel, plastic, rubber - Micro disc/Anti-rotation micro disc: aluminum
Safe Working Load (SWL)	6.5 lb (2.95 kg)
Operating Temperature	- 31° F to 113° F (- 35° C to 45° C)
Options	N/A
