## PUMP CARRIER - 254

HORIZONTAL MOUNTING SYSTEM FOR PUMPS

### MAKING HEALTHCARE PRACTICES MORE EFFICIENT

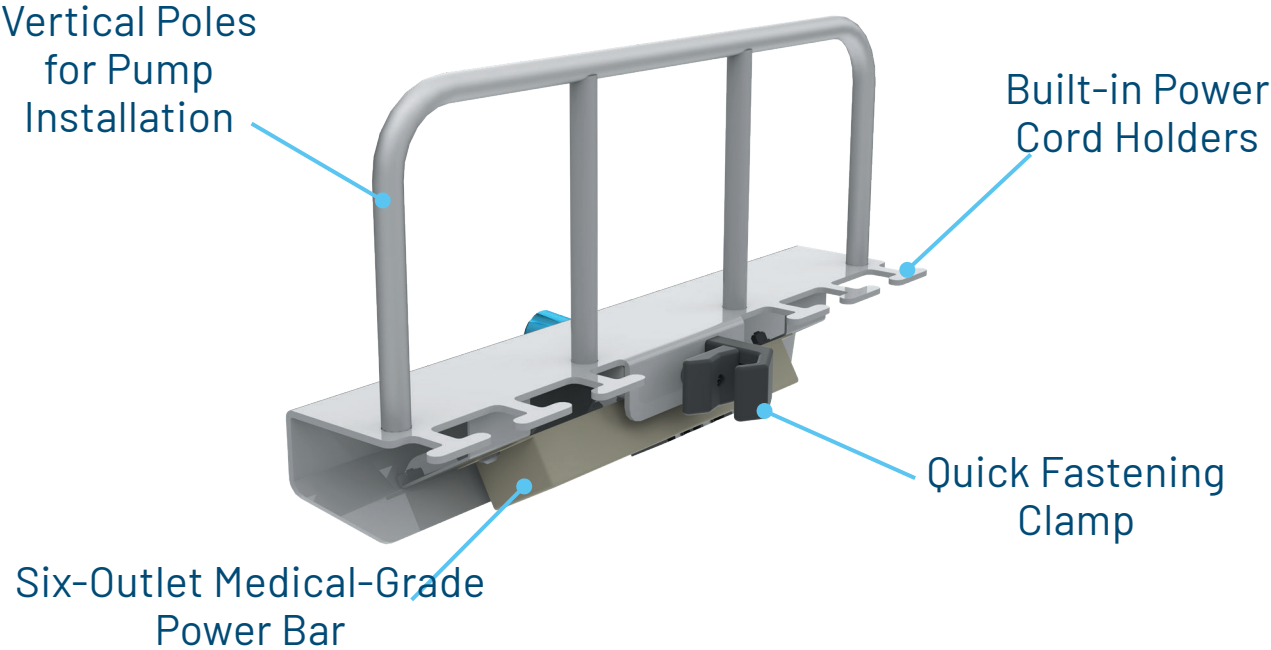

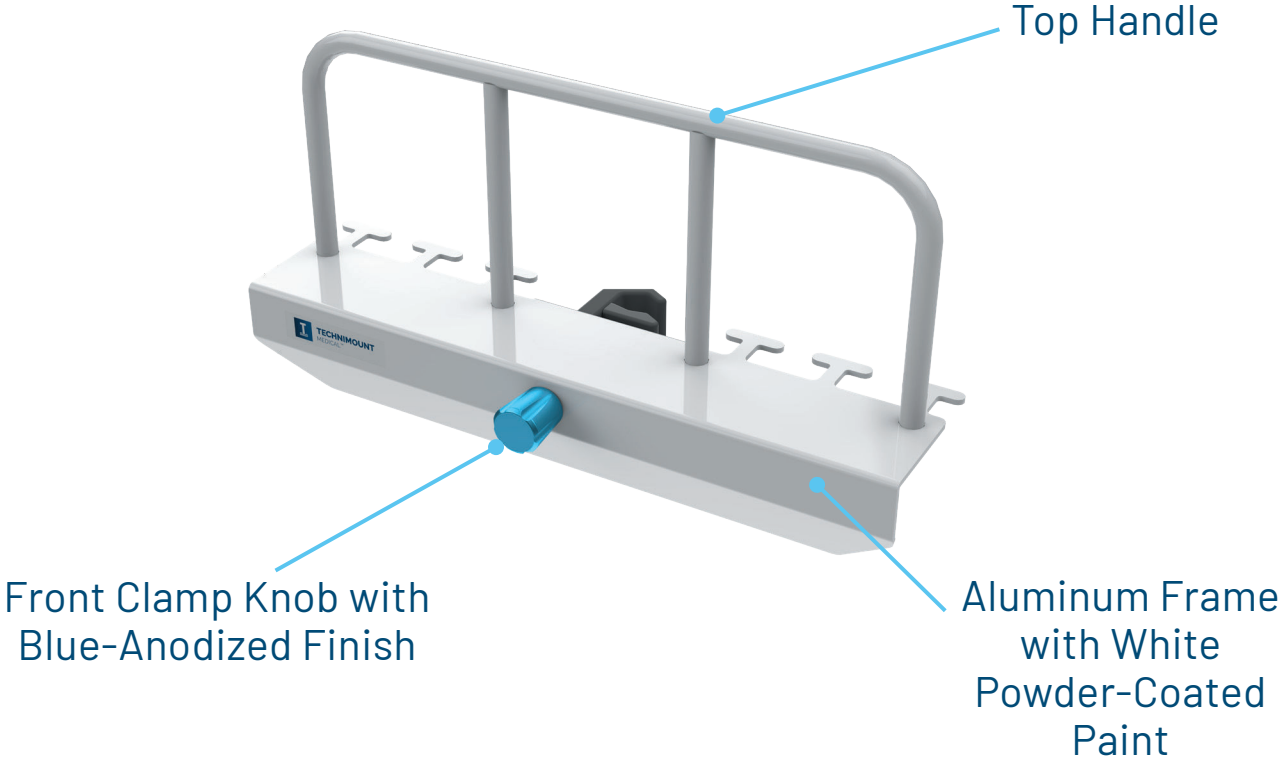

The Pump Carrier - 254 is a lightweight and durable solution used to mount horizontally up to four pumps in clinical and hospital environments.

Its revolutionary Front Clamp Knob is easy to access and makes it faster to install and remove the Pump Carrier from an IV Stand. Its integrated 6-outlet medical-grade power bar allows for efficient cable management.

At Technimount Medical, we understand that healthcare professionals need products that make their everyday practices more efficient. We design and develop quality solutions which are flexible and easy to use, allowing you to concentrate on what matters most - patient care.

## PRODUCT ILLUSTRATION

# TECHNICAL SPECIFICATIONS

<b>Product Name</b>	Pump Carrier - 254
<b>Product Description</b>	Horizontal mounting system for 1 to 4 pumps
<b>Environment of Usage</b>	Hospital/Clinic (for indoor use only)
<b>Product Section Material</b>	<ul style="list-style-type: none"><li>• Aluminum 5052-H32</li><li>• Aluminum 6061-T6</li><li>• Stainless Steel 304</li></ul>
<b>Product Finish</b>	<ul style="list-style-type: none"><li>• White powder-coated paint</li><li>• Black and blue-anodized finish</li></ul>
<b>Certification Testing (with an Electrical Medical Device Installed)</b>	Designed to comply with IEC 60601-1 International Standard 3.1
<b>Environmental Regulations</b>	Compliance with RoHS 2, RoHS 3
<b>Chemical Compatibility</b>	Latex free
<b>Compatibility</b>	<ul style="list-style-type: none"><li>• Technimount Medical IV Stand and generic IV Poles</li><li>• Pumps with a back pole clamp</li></ul>
<b>Features</b>	<ul style="list-style-type: none"><li>• Innovative Front Clamp Knob</li><li>• Quick Fastening Clamp (8 turns)</li><li>• Large transport handle</li><li>• Built-in power cord holders</li><li>• Integrated 6-outlet medical-grade power bar</li><li>• Made from High-Resistance Aluminum</li></ul>
<b>Weight of the Pump Carrier Only</b>	5.3 lb (2.4 kg)
<b>Weight of Pump Carrier with Power Bar</b>	7.8 lb (3.5 kg)
<b>Maximum Load Capacity</b>	Maximum 4 pumps
<b>Physical Overall Dimensions</b>	Width 23.125 in (58.7 cm), Depth 9 in (22.9 cm) (including the front handle), Height 12.875 in (32.7 cm) Vertical poles diameter: ¾ in (1.905cm)
<b>Part Number</b>	PCH254-P6-22
<b>Other Models and Configuration Options</b>	Contact Technimount Medical Customer Service for more information or for other options at <a href="mailto:customerservice@technimount.com">customerservice@technimount.com</a>

# HEALTHCARE IS OUR PRIORITY

## FEATURES

- ✓ Horizontal design to secure pumps on IV poles
- ✓ Innovative Front Clamp Knob and Quick Fastening Clamp
- ✓ Large top handle for transport and narrow support plate
- ✓ Built-in power cord cable holder and integrated 6-outlet medical-grade power bar
- ✓ Made from high-resistance aluminum with white powder-coated paint
- ✓ Compatible with Technimount Medical and generic IV stands

## BENEFITS

- + Securely carries up to four pumps simultaneously on an IV pole
- + Fast and easy installation and removal of the Pump Carrier from the IV Stand
- + Lightweight and robust design allows for easy handling
- + Enhances power cord management reducing potential tripping hazard
- + Easy to clean and disinfect, resistant to biological fluids and a wide range of disinfectant solutions
- + Increased flexibility due to its universal clamp
