BRACKET PRO SERIE® 25 - WOB

MOUNTING SYSTEM FOR THE ZOLL® X SERIES® MONITOR/DEFIBRILLATOR

SAFETY AND FLEXIBILITY WHERE IT MATTERS MOST

The Bracket Pro Serie® 25 - WOB (Without Bag) is designed to give fast and easy access to the ZOLL X Series® Monitor/Defibrillator.

Lightweight and compact, the Bracket Pro Serie® 25 - WOB is ideal for narrow workspaces such as counters and other surfaces in hospitals.

At Technimount, we understand that EMS Providers need solutions that they can rely on. We design and develop quality mounting systems which are safe and flexible, allowing you to concentrate on what matters most - patient care.
