BRACKET PRO SERIE® 25 HD

MOUNTING SYSTEM FOR ZOLL X SERIES® MONITOR/DEFIBRILLATOR

FEATURES

Designed to comply with SAE J3043

Lightweight and Compact Size with 360° Rotation

High-Density Aluminum with Stainless Steel Black Screws

Black-Anodized Finish for Scratch/Corrosion Resistance

CNC Mechanical Precision Manufacturing

Bracket Pro Serie 25 HD Bracket

Bracket Pro Serie 25 HD Complete Assembly (Standard Surface Base & Bracket)

Bracket Pro Serie 25 HD Complete Assembly (Standard Surface Base & Bracket)

BENEFITS

Offers Security to Patient and Crew

Easy to Install and Integrity of Medical Device Respected

Uniform Use and Compatibility with all Technimount products

Reduces Risk of Damage or Replacement of Medical Equipment

Easy Access to the Medical Equipment, Connectors and Carrying Case/Bag

BRACKET PRO SERIE® 25 HD

The Bracket Pro Serie 25 - Heavy Duty is designed to give fast and easy access to the ZOLL® X Series® Monitor/Defibrillator.

The Bracket Pro Serie 25 - HD is a rugged solution that was designed for tougher environments and more challenging emergency situations. Made for intensive use of medical devices, this lightweight bracket is made with a higher-density aluminum and an anodized finish of 50 microns.

The Bracket Pro Serie 25 - HD is designed to comply with the highest industry safety standards for EMS transport of medical equipment, SAE J3043.

FLEXIBILITY WHERE IT MATTERS MOST

When inserted into the Technimount Standard Surface Base, it allows for a 360-degree rotation of the medical device while securely locked. The quick release mechanism helps to deploy the unit almost instantly allowing users to easily access the unit with minimum effort in times of emergency.

YOUR SAFETY IS OUR PRIORITY

When it comes to air and ground ambulance transport, patient and crew safety is the main concern. Providing safe transport not only applies to the vehicle or aircraft itself but also to the ability to effectively secure medical equipment.

Having robust and certified mounting systems can help avoid costly repairs, complete replacement of equipment and possible injuries to patients and crew.

ABOUT TECHNIMOUNT EMS

At Technimount EMS, we understand that EMS and Critical Care Transport teams need solutions that they can rely on. We design and develop quality mounting systems which are safe and flexible, allowing you to concentrate on what matters most - patient care.
